As we transition through these extraordinary times, Tim Lewis Communities remains focused on setting clear expectations to allow for the best home buying experience attainable. Having ranked amongst the Highest in Customer Satisfaction and New Home Design, we understand the importance of communicating regularly with our home buyers and homeowners to prepare them for the many unforeseen delays that may be caused due to product and labor constraints. As a recipient of the Building Industry Association's coveted Builder of the Year Award, Tim Lewis Communities has been committed to building five-star quality homes and bringing five-star living to California and Nevada for more than 30 years.

Tim Lewis Communities is a Certified California Green Builder and builds solar- living home communities throughout the Sacramento and Bay areas. The Company and all our dedicated homebuilding professionals continuously strive for excellence and distinction within the building industry and are focused on helping preserve the environment.

Tim Lewis Communities is committed to providing personalized service through- out every step of the homebuilding process. Due to the economy's current product constraints, Tim Lewis Communities has negotiated several personalized Design packages for you to choose from that will assure your homes' product availability. In addition, you will be able to further personalize your home from many additional choices available at our Design Studio. These personalization touches help you create a home that is uniquely yours and suits your individual style! In order that we confidently manage our home-buyer's selections within our building schedules, we do not allow custom changes outside of our approved offerings. We are dedicated to the highest standards of quality and customer service, and we stay closely involved with our customers, long after they move in.

In addition to being focused on our customers, we are also devoted to the environment and dedicated to exceeding expectations whenever possible in all aspects of homebuilding. Tim Lewis Communities will continue to build upon our tradition of value, quality, and customer satisfaction – the hallmark of five-star building. At Tim Lewis Communities, we are proud to build...
